Ice-cream soda,

So on till they stop on a letter and then you choose a name beginning with that letter. If Brackie lands on T, Trindy could be his honeybunch.
Jam, jam apple tart tell me the name of your sweetheart ABCD ...

Tell me the name of your sweetheart A-Z.

Jam, jam apple tart ... letter; where going to live? where going to get married? how many babies will you have? what sort of car will you have?

A, B, C...

Jam, jam, apple tart
Tell me the name of your sweetheart
ABC... until trip, then say a boy’s name with that letter.
(NB: can do the same with twisting stalk off an apple)

Jam, Jam, Apple Tart is a very common game to play when you are skipping. The rules for this skipping game are: when you stop skipping or you muck up you will land on a letter and the other people that play have to pick a name of a boy or a girl (depending if you are a boy or a girl) that you like or perhaps they think you like. If you muck up while they are chanting the rhyme you get another chance.

“The rules for it are that for changing round people just really volunteer and when you land on a certain letter that’s who you like, for example, if you land on S it may mean you like Stephen. Another rule is when you stop you go out and the next one comes in.”

The girl’s name likes coffee
The girl’s name likes tea
The girl’s name likes sitting on the boy’s name [it doesn’t say ‘s knee!]
